

Map No 7

Direction of walk on map Left/Right

1. Continue straight on thro' gap at side of metal gate with hedge on right along established farm track.
2. At end of hedge continue forward thro' open fields for approx. 700m.
3. Continue **now with hedge on left** past small clump of trees on right until reaching hedge 600m ahead.
4. Turn **Right** keeping hedge on left and initially fence right keep forward **ignoring the track that goes off to the right**.
5. Cross stile & keep hedge on left and follow round left to go over stile and bridge in corner of field.
6. Keep in fenced walkway as it turns left thro' kissing gate and then right, to reach and go thro' wooden kissing gate into small horsefield.
7. Half left across field to climb stile in corner to road.
8. Turn **Left** for 45m (pavement) [**Caution road crossing**] turn **Right** cross road and enter a wire fenced walkway between the (new) Prologis Park Ryton and the (old) Peugeot car compound.
9. Continue forward over bridge for 300m to end of compound. Turn **Right** (ignore kissing gate on left) and keeping concrete/wire fence on right, forward and round to end of enclosed path. Through a kissing gate on your left to join road.
10. Turn **Left** up road, ignoring cul-de-sac, after 120m turn **Right** to pass post box to reach the High Street.
11. Turn **Left** passing the Blacksmiths Arms on right to reach shops in lay-by adjacent to the A45.
12. **Take pedestrian subway under A45** and exit up steps on **Right**. Continue along pavement past bus shelter.
