

Map No 8

Direction of walk on map Left/Right

1. Continue along pavement adjacent to A45 for 500m and climb up steps & thro' gap on left, large road sign.
2. Straight ahead, uphill over open field past an isolated tree on right, keep forward and as you begin to descend keep the incoming hedge on your right to the bottom. **See "Beware Gravel Works" note on map.**
3. Over footbridge and half right across field to another footbridge using enclosed path.
4. After this footbridge half right again thro' enclosed path to reach sewage farm.
5. Go thro' walkway, adjacent to gate with sewage works fence on your left to reach field.
6. **Follow the waymarked route.** Veer **Right**, using wide enclosed path to reach & go through gap in field corner. (Note: created May-2017 but first Green Book use 2018)
7. Turn **Left**, hedge left to gap in hedgerow to reach farm track. Turn **Left** along track for 75m, and then turn **Right** into wide enclosed path. **Forward**, hedge right to field corner.
8. Turn **Left** and continue hedge right with playing field on your right to reach wooded area with gap on right.
9. Turn **Right** to enter enclosed path.

10. Continue along path with playing field fence on your right and shortly with woods on left follow it around to right and right again.
11. **Challenge** entrants turn **Right** into Community Centre **Checkpoint 3**
12. Exit path and turn **Left** and **keeping** woods on left, continue to pass ends of three cul-de-sac roads to reach the fourth (Paddocks Close).
13. Keeping left follow fenced and walled path to junction with school on your left.
14. Turn **Right**, (leaving the Centenary Way) and in a short distance over stream bridge bear right to reach main road (War memorial on right). Cross over road & bear right, passing the "Old Bakery" then turn **Left** along tarmac path passing small green on left and into road (Larchfields).
15. Continue along road (do not turn off) straight on into Meadow Road and at end of this road (T junction) turn **Left**.
16. **Fwd** to T-junction turn **Right** (The Priory is on your left).

Total distance now covered: 19.0 miles
