

Map No 10

Direction of walk on map Bottom/Top

1. At junction of four tracks continue forward, do not turn left or right and after a kilometre pass through gate to enter road.
2. Bear right, almost immediately **Right** into field via gap, then turn **Left**, keep hedge on left to meet garden fence of houses ahead.
3. Turn **Right** keep garden fences on left, then hedge on right for approx. 120m. Continue to reach passageway to exit onto road (Bull's head PH opposite to your left).
4. Turn **Right** and continue for 30m, cross **with care** to opposite pavement just past the junction to Broad Street, continue forward, pass Home Farm on left to just before a sharp bend in main road.
5. Thro' gate on left into field and aim for top left hand corner, immediately right of farm buildings (can be very rough and often muddy underfoot).
6. Follow farm track round to the right & thro' pedestrian gate (old canal spur on right & left). Thro' a second gate and continue forward making for top left hand corner of field. **DO NOT RUN IF CATTLE ARE IN FIELD**
7. Thro' kissing gate, turn **Left** along enclosed path then thro' gap and turn **Right** over bridge to climb steps to The Motte and Bailey complex.
8. Walk across with the highest point on your right to exit thro' kissing gate onto road (Ell Lane).
9. **With care**, turn **Left** down road & turn **Left** again at junction. Shortly after **take care** & cross to the other side. Pass telephone box & almost opposite The Raven (PH) reach Barr Lane.
10. **Challenge entrants only**. Continue **fwd** down Broad Street 150m to reach village hall on right. **Checkpoint 4** is the scout hut **behind** the village hall. On leaving, follow Challenge signs thro' small gate to enter playing fields. Turn **Right** then soon veer diagonally left to car park & reach Barr Lane & turn Left.
11. **Non Challengers** enter Barr Lane & continue down to start of car park. **All** pass enclosed playground & when track bears right enter field thro' kissing gate on left. **Fwd** & aim to pass two isolated trees on left towards hedge line.
12. Thro' kissing gate to right of hedged pool, turn **Right** & with hedge right continue to field corner & thro' kissing gate into next field.
13. Take footpath to **the right** and keep hedge on right to field corner.

Total distance now covered: 23.3 miles.
