

1. On reaching house on right "Five Oaks" continue for 130m to reach a gate on right to a fishing pool area.
2. Thro' kissing gate and follow forward with pool on your right to corner. Turn **Left** thro' pedestrian gate into field.
3. Forward uphill across large field towards middle of tree line to reach hedge and waymark post. Turn **Left** and follow up and around to field corner.
4. Thro' wooden pedestrian gate, half left to follow a zig-zag path thro' spinney to reach its edge.
5. Continue forward over field aiming for a waymark post in rear garden and enter thro' a small gate into garden.
6. **This is a right of way**, keep garden fence on your right and go thro' a gate at side of house to reach drive and then thro' a pair of wooden gates onto road. Turn **Right**, up road, pass bus compound to junction (Wood End Lane).
7. Opposite junction, **take care crossing road**, go thro' kissing gate left of house (The Parks). Keep hedge on right and leave it when it turns right, to go slightly left across field and thro' kissing gate into next field.
8. Pass the pond on left and keep hedge on your left over next three fields.
9. Thro' a gateway, crossing small stream, forward with wire fence on right, to reach kissing gate in wire fence on right. **Do not go through kissing gate**, but turn left, to head for and go thro' a kissing gate in hedgerow on right.
10. Turn half left to go thro' a gap and climb up steep steps to reach a concrete surfaced motorway bridge.
11. Cross over bridge and as you descend in 20m take path on left down bank thro' gate to reach a wooden paddock fence.
12. **Forward** with paddock fence and hedge on left, across sleeper bridges, then thro' a lightly wooded & muddy copse followed by an open area (Corley Moor).
13. Follow path on grass, keeping outbuildings and cottage on your right to reach a Waymark Post then join a concrete track. Continue up the track to the road.

Total distance now covered: 37.2 miles.
